PROFILE

Five years working directly with global retail and D2C brands on growth, market entry, and commercial strategy. Managed over £170K/month in media spend across 10+ brands, led teams of up to 7, and served as the main senior client contact for financial planning and strategic direction. Currently finishing an MBA at the University of Bath on a full scholarship, the highest in the cohort, with live consulting, entrepreneurship, and social impact projects running alongside. Looking for roles in commercial strategy, consulting, or growth in consumer, retail, or sustainability.

EXPERIENCE

Growth Associate (Intern) · UrbanChain, - Manchester (Remote) *Apr 2026 – Present*

- Set up and manages HubSpot CRM, including lead segmentation, workflows, and reporting dashboards to track pipeline health.
- Built a lead acquisition strategy from the ground up, using industry event data to identify target accounts and shape outreach.
- Audited the website for conversion issues, rewrote copy, reworked forms and user journeys to bring in better quality leads.

Performance Strategist · ScaleX – Delhi (Remote) *Dec 2024 – Sep 2025*

- Ran paid growth strategy on Google and Meta for a portfolio of D2C brands, improving campaign performance by 2 to 3x across accounts.
- Built growth plans that cut wasted spend and lifted overall portfolio efficiency by around 40%.
- Took multiple brands from zero to £30K in monthly revenue in under five months.

Assistant Manager, Digital Marketing · Green Honchos - Noida *Nov 2023 – Aug 2024*

- Managed commercial and marketing strategy for 10+ global brands including Forever New, Da Milano, and Ray-Ban, overseeing £170K+/month in media spend and leading a team of 5 to 7.
- Main senior client contact for financial planning and strategy. Put together 2 to 3 year financial plans and advised on direction when market conditions shifted. Contributed to a 133% jump in daily portfolio revenue.

Selected client work

- **Forever New:** The brief was a new season launch, but the real problem was unsold stock from the previous season. Ran both together and cleared the backlog without hurting the brand or missing targets.
- **Da Milano:** The client wanted to expand into tier-2 Indian cities. After looking at the financials, the numbers did not work. Built the full research case, presented it to the client, and they changed direction.
- **Genes Lecoanet Hemant:** Project lead for a brand expanding from India into the UAE. Built the financial model, worked out the right audiences and creative for Dubai, and directed the website rebuild using competitor research.

Key Account Manager · Sociowash - Delhi *Oct 2022 – Oct 2023*

Associate · Digital Marketer · Globalbees / ANS Commerce - Gurgaon *Sep 2020 – Jun 2022*

EDUCATION

MBA · University of Bath, School of Management

Sep 2025 – Sep 2026

- Awarded £15,000 scholarship, the highest in the cohort. Elected Academic Representative.
- Modules: Advanced Marketing, Business Analytics, Strategic Leadership, Supply Chain Management, Business Ethics.

Live MBA projects

- **Consultancy Project (UrbanChain):** Built a full go-to-market plan for UrbanChain's commercial expansion. Also put together an AI implementation framework for the business: fix internal processes first, then automate them. Applied specifically to how they train and deploy Claude.
- **Entrepreneurship Project, Best Pitch Award:** Won Best Pitch for FreshTrack, a food freshness tracking platform. Judges singled me out by name for how I handled the Q&A.
- **Social Impact Project (Forest of Imagination):** Worked with Forest of Imagination on their next year's programme. Developed a funding strategy and marketing plan focused on increasing revenue and growing their audience.

BBA · Amity University, Uttar Pradesh

Jul 2017 – May 2020

- Vice President, Marketing Society.
